FLEETON, Brent

Together with my partner Joanne, we live in Perth's CBD where I run my own business. We love the city lifestyle but things need to improve.

This election is about a vision to reinvigorate Perth. We need to bring people back into the City as we fix the basics like parking, safety, and cleanliness.

We need Councillors with the right experience, who are committed to attracting new businesses and jobs by putting Perth back on the world stage.

At the same time we must enhance our unique neighbourhoods. There is more to Perth than the CBD. The local needs of residents must always come first.

Formerly a Councillor in Bayswater, I have strong experience in representing diverse communities, budget repair, town planning and good governance.

As an independent candidate, I'll work constructively with whomever you elect Lord Mayor. Let's put the chaos behind us and be proud of Perth again.
