DOSHI, Raj

Our city has great potential. As an Adelaide Terrace resident, both raising my children here and working in the city, I see every day what more can be done to make it even better and want to play my part.

During COVID-19, I volunteered to keep people connected, co-organising City music sessions and hosting the weekly East Perth Community “Live at 5” show. I chaired the local playgroup for 3 years, served as former Chair of Concerto Council for 3 years, developing essential governance experience.

I will bring to council balanced, considered and diverse representation to undertake engaging consultation to be more responsive to ratepayer concerns; a local primary schools; fill empty shops; invest in lighting and expand security patrols; smarter parking solutions; and to say yes, rather than no!

Independent, and not politically aligned, I am committed to creating a fresh, cooperative and transparent Council.
