I shall do my best to bring back international students to the City, build attractive programs for foreign investors and tourists, as well as creating job opportunities for the City recovering from COVID-19 pandemic.

If I am elected, I will strive to make the City an even better place.

A safe city for everyone.

Providing homeless people with practical support.

Supporting small business such as retailers, to jump start their recovery from COVID-19 pandemic by attracting more overseas students and tourists to Perth for leisure and business.
