GOBBERT, Liam

I'm an East Perth resident and city worker in Project Management, Justice of the Peace, and qualified Town Planner.

I'm the Vice-President of the Independent Theatre Association of WA, and served as Secretary for urban think tank, FuturePerth, promoting vibrancy, culture, and sustainability in our city.

A former Councillor and Deputy Mayor of Joondalup, I bring 10 years of local government experience and knowledge of best practice in good governance.

My priorities are to:

- Collaborate with State Government to end homelessness;
- Design out crime by strategising short and long term infrastructure delivery;
- Provide more functional and creative lighting, seating, street trees, dedicated cycle infrastructure, drinking fountains, and places for families and students across the whole city;
- Upgrade and activate our riverfront;
- Reduce financial waste with proper forward planning;
- Push for an Indigenous Cultural Centre.

I'm committed to being an independent voice and listening to ratepayers.
