REYNOLDS, Bruce

Be it as Mayor or Councillor, I am 100% committed to serving our community and city in any way that I am able.

I don't see how candidates nominating for Mayor can claim to be passionate about the future of our city and not nominate for council as well this election.

As a long-time resident, property and business owner I will work tirelessly to be a voice for all stakeholders.

Now is the time for common-sense and level-headed decision making to revitalise and help shape our beautiful city for the benefit of our residents, business owners and visitors.

With years of experience working with not-for-profits, I believe I have the experience to deliver real long-term solutions that give every member of our community respect, dignity, and hope. Let's bring integrity back to the council, vitality back to the city, and humanity to the community.
