FELIX, Michael

I am a Qualified CPA and the corporate head of finance for a largest agricultural business. I've lived on Murray Street for some time and have a deep passion for this great city.

My Mission is to have a city that is the beacon to our state and that is giving the back to ratepayers.

I want to do this by;

Improving Governance - Keeping the CEO and Executive team of the council accountable for delivering the best to businesses and ratepayers.

Financial Transparency & Reducing waste of council assets to drive better community outcomes and cost savings.

Supporting and continuing strategies that make it easier to do business and to keep Perth as the business retailing heart of the state. Focusing on helping commercial and retailers to thrive in the city.

Improved Community initiatives, including homeless outreach and engagement, arts and culture, all to make our City for all.
