HILL, Shelley

I believe we need to look after our residents, support our businesses, warmly invite visitors and make our City a joyful place through vision, community connection and exemplary governance.

Whilst representing the parent voice in education at the local, state and national levels for the last 16 years, I have learnt how to listen, build trust and act.

Our wonderful City needs to:

- look after its 'residents without a home'
- be a safer and even more inclusive place for everyone
- be proactive and constructive
- celebrate its Indigenous heritage, and
- brighten up and reinvigorate its different neighbourhoods.

I am independent and have no conflicts of interest, just a willingness to serve the people who call this beautiful city their home. My family and our dog, Milli, love living in the city.

I have the time, commitment and energy to devote to the Council and welcome the opportunity to represent you.
