HARLEY, Reece

This election is crucial. It's time to get our City back on track.

As Executive Director of the Museum of Perth and a Crawley ratepayer for ten years I walk the city daily speaking with traders, residents and visitors. I see the city's challenges and its enormous potential.

I have seven years local government experience and a track record of delivering results.

I'll continue to champion a cleaner, greener city, cutting red tape, targeted cheaper parking, cycling infrastructure, genuine consultation (especially on planning matters) and Council transparency.

My priorities are:

- strong financial management to keep rates low;
- rigorous and transparent decision-making;
- a comprehensive homelessness plan;
- increased safety, lighting and patrols;
- supporting neighbourhood community groups;
- building a culture of respectful teamwork
- addressing office and retail vacancy;
- celebrating our city's heritage, and
- supporting businesses to flourish.

I ask for your support as your independent, experienced and committed voice on Council.

Thank you.
