TOULALAN, Andrew

Hi, I'm Andrew Toulalan. I'm a proud city resident and small business owner.

I'm a hard-working, independent candidate and I'd like to be your strong, thoughtful voice on council.

I have the character and experience for a fresh approach; no infighting or factions; open and transparent conduct; new ideas focus; planning decisions with common sense; respecting all opinions; integrity at the forefront; being community-first minded.

Talking with residents and business owners, people tell me they want a united, trustworthy council that listens to them, that gets the basics right.

That's what I'm standing for; that's why I'm putting my hand up for leadership.

Let's make Perth a winning city; vibrant, connected, friendly; safe with increased security and additional lighting to reduce anti-social behaviour; improved homelessness; better pathways for pedestrians and cyclists; greener, clean streets with more trees, flowers and artwork; plus great amenities for residents, like a city pool.
