BERWICK, Dwayne

Having moved to Perth over ten years' ago from the Goldfields, I have developed a passion for this beautiful city and would be proud to represent its people.

An everyman who has worked primarily in the mining industry, I am excited to try my hand at something different that will allow me to spend more time with those I love.

I have fantastic stakeholder management and communication skills that will allow me to create connections that make a difference in my local community.

I have no ties to any commercial interest and if I were to be elected to council would pride myself on maintaining a strong sense of impartiality so that I can be the voice of the people.

I am known amongst my friends and colleagues as someone of upstanding integrity, who is not afraid of hard work and celebrates the diversity that Perth has to offer.
