GORDON, Rebecca

Having served on the Local Government Standards Panel for four years, I know what is required for the good governance of Perth. I will work with ratepayers and elected members to turn your vision of a clean, safe, vibrant Perth into a reality.

I have been a Perth ratepayer for over ten years whilst working in West Perth, East Perth and Northbridge as a lawyer and corporate governance & compliance specialist. I have watched our City go through significant transformation and want to align future growth with the needs of businesses and ratepayers.

As a former deputy mayor of a large metropolitan council, I have successfully advocated for ratepayers and have experience chairing decision-making and disciplinary bodies at state and national levels.

I want to be part of a City renewal that is respectful, responsible and financially sustainable. I want to give you pride in your City and your Council.
