GIBSON, Mark

As a 19-year city resident, I truly understand what Perth needs to make it shine again. I will be full-time, committed and independent, with no political or business conflicts and no factions. I will restore integrity and trust to the council and always put the ratepayers first. My plans include making Perth cleaner and safer, with energy efficient lighting to showcase the city's features and brighten dark corners. I will work hard to find housing for the homeless, champion businesses to help them recover from COVID and introduce free short-term parking. As residents, we need better footpaths, cycleways and recreational facilities. Most importantly, I will restore vibrancy, bringing the city and foreshore alive with family-friendly events all year round, giving people a reason to visit Perth again. Your neighbourhood is mine and I wont stop until it's back, better than ever.
