MCCULLOCH, Brodie

I was born in Derby, Western Australia, into a family who served the community. Over the past 10 years, I've grown Perth businesses to support thousands of small business and community organisations, providing me with a unique perspective on positioning Perth for the future.

My approach is to create an environment of support for the whole community: residents, business, not-for-profit organisations, Perth's First Nations people, and artists. Together we will build a community where everyone can thrive.

Beyond my demonstrated ability to bring a vision to life and lead an organisation, I have a strong governance track record, serving on boards and holding Governance Institute of Australia qualifications.

My partner Gianni and I own an apartment in East Perth and I am passionate about having a city which invests rate-payers money in setting up Perth for the future.

Perth can be a smart, vibrant and global city. **Let's Lead Change.**
