BAIN, Di

This election is about you: the residents and businesses that give our City soul.

I am running to restore your trust by actively listening to and serving ratepayers. I will draw on my strong experience as a Tourism WA Commissioner, Activate Perth Chair and business owner to deliver good governance and efficient service to ratepayers.

We must get the basics right: extending lighting/ security patrols to increase safety; boosting street cleaning/ greening; improving residential amenities; prudent scrutiny of budget/ rates; and, critically, helping rough sleepers off our streets for a safe night's sleep.

We need to set new standards with customer service benchmarks and a physical shopfront. I will champion a clear investment attraction strategy, a better deal on the Perth Parking Levy, and support a vibrant arts sector to attract visitors.

My personal promise: a full-time, inclusive and accountable Mayor with the practical experience to deliver real change.
