ANGHIE, Sandy

(LLB, BCom'97, BEnvDes, MArch'14)

With 25 years' professional experience as an architect, lawyer and accountant, serving on not-for-profit boards for the past decade, and since 2016 leading positive change in Perth through the Historic Heart project - I have the proven track record in planning, governance, finance and community service to lead the City of Perth and to restore your trust and confidence in our City.

We need to fix the fundamentals - governance, homelessness, safety and support for local businesses.

We need to stop the financial waste and do more for less.

We need to work together, with each of our neighbourhoods, to build on the assets we have, to make Perth the best place to live, work, study and visit.

I am independent, qualified, experienced and committed to being your full time Lord Mayor, to work with you, the Perth community, to bring our City back to life.
