If you've seen an incident in the city, report it using the relevant number below. City of Perth and WA Police take these calls seriously and want your help in stamping out criminal and antisocial behaviour. For more information on security and surveillance visit perth.wa.gov.au

Life threatening emergencies

 000

If you witness a life threatening emergency or an incident that has the potential to escalate into an emergency, call **000** to contact Police, Ambulance and Fire Services

Criminal activity

 131 444

Call the **WA Police** if you are concerned for the immediate safety of yourself or others. Police work with Citywatch to find and prosecute offenders.

CCTV capture

 9461 6611

The City of Perth has more than 650 cameras keeping an eye on the streets 24 hours a day. If you see a situation occurring and there is a camera close by, **Citywatch** may be able to monitor the event.

Report Crime Anonymously

 1800 333 000

If you see something or know something about a crime, make a completely anonymous report either by phone or online to **Crimestoppers**. Any detail can help.
